Otis R. Worley

MAY 2, 1956 - JUL 6, 2024

Funeral Service for Mr. Otis R Worley, 68, of Goodwater, Alabama, will be held on Tuesday, July 9, 2024 at 2:00 pm in the Chapel of Radney Funeral Home. Pastor Tony Harris will officiate. The family will receive friends on Tuesday, July 9, 2024 from 11:30 am until 1:30 pm at Radney Funeral Home.

Otis was received by his Savior on the morning of July 6, 2024. He was born in Covington County, Alabama, to Jeff Worley and Quinell Pitts Worley on May 2, 1956. Mr. Worley was a proud Christian and attended Family Worship Center on Sewell Street. During his life, Otis proudly served his country in the United States Army. He then went on to work for many years as a Helicopter Mechanic. As much as he enjoyed his work, nothing took a higher place in his life than his family. Otis deeply loved his wife, Kellie, and enjoyed time spent with his children. His grandchildren were his pride and joy, and he never missed a chance to enjoy their company. In his free time, Mr. Worley enjoyed working in his garden and spending his afternoons hunting or fishing. He loved history and astrology, and his eyes would light up when he shared his knowledge with his family and friends. To say he will be missed is a massive understatement. He is truly irreplaceable to his family and friends, and, although they rejoice his presence in Heaven, his missing presence on Earth will forever be felt.

Otis is survived by his wife, Kellie Pike Worley; children, Jacob (Nikki) Worley, Jana Worley, Austin Lee (Delfina) Pike, Liam I. Worley; grandchildren, Oakley G. Smith, Kelby G. Worley, Aurora J. Worley, Janice-Lynn R. Worley; special nephew, Alexander M. (Dana) Sharpe; siblings, David Worley, Elsie Wages, Betty Odom; brothers-in-law, Joe Pike, Brian Pike; and many nieces and nephews.

He was preceded in death by his parents, Jeff & Quinell Worley; sisters, Dian (Bo) Sims, Linda (Ray) Hollinghead, Lynn (Roy) Creech; brothers-in-law, Norman Wages, Jim Odom; sister-in-law, Sheila Worley; mother-in-law, Janice Pike; and father-in-

I have no idea where to start because he was so many different things for me. He cared for me and loved me even when I couldn't love myself, he was brave and never showed fear, he was perfect to me and I can't make anyone understand the way he lit up a room with his smile and his laughter. It was always contagious, he was smart, kind and funny. He was a man of few words but still very loving and caring, he always helped the ones who needed help. He was hard working and always looking for a way to teach me about the outdoors he loved telling me all about the plants, the wildlife, the stars and moon. He used to always tell me that if I ever missed him I could look at the moon and he'd be looking at it with me and we would be with each other. My daddy was my hero in so many ways he taught me how I was to be loved and treated, he taught me how to fix my own cars, he taught me how to make sure I always had a giving heart. My daddy was the most amazing man in my life. It's going to be hard without him but I will go on because I know he is with me and would want me too keep going. I hope I make him proud everyday and I'll never stop loving him. He is a one in a million kinda guy.

In the celestial realm, Uncle Otis now soars high; spirited, courageous and full of zest. He touched our hearts with his gentle kindness, boundless generosity, and infectious optimism. His wisdom was a beacon, his adventurous soul an inspiration. A cherishing memory remains locked in my heart - our unforgettable journey from Mobile to Covington County in his 1957 black-and-white Chevy. Through laughter and compelling stories during this ride, Uncle Otis sealed himself into the core of our memories forever. We miss you dearly; keep watch over us until we meet again.
