Othell and I were in the class of '65 at BRHS. I went into the Air Force in '66 and after basic training and tech school, I was sent to Japan. When I arrived at Tachikawa Air Base in Japan, I was in line for food along with hundreds of other soldiers, many of whom were headed to Vietnam. I noticed a tall, lanky fellow in line and about 10 people in front of me..... It was Othell. We shared a few minutes together, and went to our respective destinations. A little over a year later, I flew into McGuire Air Force Base on my way to an assignment in Germany. As I was walking through the terminal, once again I ran into Othell. We chatted briefly and I don't think I ever saw him again. Othell was one of the good guys for sure.

Othell was a lifelong friend of mine. Thousands of memories were made that will live on, and on. Packing fruit for Avondale employees, hunting trips with my dad, just crushing in the 56 black ford, playing ball, fishing, double dateing, playing golf, welding, working together helped build Kowaliga Bridge 1971-72. When you saw me, Othell was nearby. Praying our church together as youths has and will continue to be a benefit for us all. Some day soon, we will all be together again. Enjoy your eternal journey, you have earned it. Your friend. Wayne
