My heart goes out to this family. Uncle Jack was loved by so many. He loved my sister Hope as his own daughter and would do anything for her. Spent her last living days with him now he joins her in heaven. He was a wonderful man to me and I'm gonna miss him so much. I love you all

Jacks eyes would always light up with such love when hed see his grandkids. He always kept up with their lives and he never missed a chance to video call anytime he could for anyone. If you ever needed him, he was always there. Jack helped me through many times in life. He never treated me any different no matter what the situations were either. He was a very very loving man and I'm glad he got to be my father in law.
