# Mark Frohsin

SEP 4, 1968 - APR 23, 2024

**M**ark Frohsin departed this life on April 23, 2024 in Montgomery, Alabama where he lived and worked. A native of Alexander City, he attended public schools until he enrolled in Baylor Prep School in Chattanooga, TN. He attended Tulane and completed his formal education at Florida State University where he graduated with honors.

Mark's employment took him to California, Florida and Atlanta where he was successful at each destination. Mark was a loving, caring person who not only loved his children dearly but was equally loved by all who came in contact with his smiling personality and generous spirit.

He is survived by his two loving children, daughter, Parker (18) and son, Liam (13) along with his father, Ralph Frohsin (Allyn), his mother, Beverly T. Morris (Larry), sister, Anna Clark Morris and brother, Ben Morris. Additionally, he was revered and loved by his nephews and many other family members. He was preceded in death by his brother, Kevin Morris.

Mark will be remembered for his kind, gentle spirit and engaging personality. He will be missed by the numerous people he came in contact with during his life's journey. A Celebration of Life for family and friends will be held at Church in the Pines on Friday, April 26, 2024, at 11:00 am with Reverend Mike Densmore officiating.

The family requests that any memorials be made to Children's Harbor or the American Heart Association.

Mark had a great sense of humor and a kind soul. I wish I could tell him how much I appreciated him during our time together at Tulane. Your family's generosity in letting us use your lake home in Alexander City for our SAE pledge retreat will always be remembered by my pledge class. It was a prime example of Southern hospitality shown to this Connecticut Yankee. My sincerest condolences and fondest memories of a brother we called Flash.

I'm completely devastated about the news. I will miss Mark's bright personality and hilarious jokes. He could find humor in most difficult situations. His love to his family was remarkable and kids were his life. My deepest condolences to Ralph (Allyn) and Beverly (Larry), his kids and the extended family. I'm so sorry for your loss. A few years ago Mark landed a modeling contract and had a few gigs. One in particular was for a Thanksgiving-theme photoshoot of his hands holding or serving a turkey. Of course, he had to brag about it because it was a chance for him to be in a magazine ad and he also got a kick out of seeing his name assignment on a piece of paper. It read "Hand Talent #3". From that point on, he appeared in my phone as such. :) Rest in peace, my friend! ❤️

I havent spoken to Mark since we graduated in 86. I have tried to look him up a time or two when I happened to be passing through Jasper a couple of times over the last 30 years. Attached is a picture from our trip to England in 86 with Dr Miller. So sorry to hear of Mark passing and sorry we never connected. Just been going through a few memories of Mark. I always think of him when I see a Fiero! 🤔 Greetings and condolences to the family.

I'm at a loss for words since hearing of Mark's passing. I don't picture him with anything but a smile on his face. His vivaciousness and easy-going nature are what made him fun to be around. He had a charming wit that I will always remember. My heart breaks for his children and my deepest condolences to Ralph and Allyn, Beverly and Larry, and the rest of his family.
