My condolences to the Hodge family for their loss . Doug put me to work when I first moved here from California. I found him to be a highly intelligent contractor that always produced a quality job. I always enjoyed coming on the job with Doug and Steve, because of their friendliness and their professional work environment. I pray for the entire family, especially Miss Diane, who was my friend when she worked at the school system. May God bring you peace love you all. Duane Skarecky

I will always appreciate Doug for hiring me as a very inexperienced and extremely timid teenager. Doug was intelligent, steadfast in his beliefs, and very skilled in his profession. He was a fine man who will be greatly missed. God rest his soul. Johnny Taylor
