Mr. Pike taught me a lot about life when I was 10-15 years old. Some of the lessons I still use today. I haven't seen Kelli, Joe, or Brian in 20-25 years but have often thought about our times together and how much Kenneth influenced my life in the earlier learning years. You will be missed but your influences will live forever. I hope your children, family, and friends find some comfort in looking back and remembering the great times and how you helped shaped them. Thanks Mr. Pike for the teachings and great childhood memories and I'll see you in heaven one day. Love you man!!

To the family of Kenneth Pike. I have a lot of very fun memories with Kenneth through the military. We've been through a lot of summer camps together and had a ball! I can't go into details about most of it, but Kenneth and I always hit it off! I thought a lot of him, even though I haven't seen him for a long time. He was a great Soldier and loved his family and friends!

I have so many memories with you, however my greatest is watching you be the strong brave man you always was. I miss you dearly already and I'll keep you with me. I love you so much pawpaw and will remember everything you taught me and the last hug, "I love you". Every day spent with you was my favorite. I'll see you soon pawpaw, until then I'll keep making you proud.

To my wonderful Uncle Kenny "Pop". Being in this life with you has been beyond amazing. Our time in church and this world is special and dear to my heart and soul. There is never enough time but we made it do handsome. I love you then, now and always. See you soon
