Ann's interests were as varied as they were passionate. She was an excellent cook, known for her delicious meals that were always made with an extra dash of love. She was a voracious reader and an avid card player, often combining the two for a cozy evening at home. Ann also had a love for sports, particularly softball. She coached many teams over the years and was the team mom, always cheering from the sidelines and offering support to every player.

Above all, Ann was a wonderful mother and a loving "MeMe" to her grandchildren and great-grandchildren. Her family was her world, and she devoted her life to nurturing and caring for them. Her love was unconditional, her patience was endless, and her kindness knew no bounds. She taught her children the importance of love, kindness, and selflessness, values that they carry with them to this day.

Patricia Ann Davis will be remembered for her loving nature, her kind spirit, and her selfless devotion to her family. Her memory will continue to live on in the hearts of those who knew and loved her. Her legacy of love, kindness, and selflessness will continue to inspire and guide her family for generations to come.

This wonderful lady had such a impact on the person I am today! She opened her doors to me as 13 year old girl and took care of me. She taught me how to cook!! Being the team mom she was made me want to do that also with my kids! She taught me that you don't have to be blood relatives to love and take care of kids!! She will be missed and her love and kindness to me will never be forgotten! She's now In Peace! My prayers to everyone that loved this sweet lady!!
