I'll never forget my first time to Reds Catfish. Cooper had to take me so I could meet his mom and dad. I was nervous . But it ended up being a awesome time . We laughed. An I seen where Cooper got his sense of humor from too. I can hear that laugh he had now as I type this. Cooper was one of a kind. He was so sweet to me. An I'm glad to have known him. He will forever me missed. Rest in peace "Ole Cooper".

Prayers for peace and comfort for your family! Cooper always was kind to Katie. When we walked and he drove by he would stop and ask Katie how she was doing. If she was outside when he drove by he always waved. She was saddened to hear about Cooper. As a mother his kindness to Katie was very appreciative. Doris Thompson
