Elois was the most selfless person that I have ever known. She was thoughtful without even thinking about it. She gave so much of herself and wanted no recognition. She was a very special friend to me and my family. She loved so freely and she was loved so dearly and deeply. She loved her family . We are so sorry for your loss and you are in our prayers. She will be terribly missed.. We were down on her 79th birthday and she picked Zaxby's to celebrate..
