I am so sorry to hear this, and too late (Sunday night) to go to her service and pay my respect. I have known Daisy and her family, the Johnson's and the Adams for most of my life. Daisy always had a smile and a kind word every time I saw her. She will be greatly missed. Harrell Fulmer

Miss Daisy was driving a bus when I started my teaching career in Eclectic in January of 1992. She always had a wave and a smile. Miss Daisy's greatest impact on me came from her family. She raised an amazing group of children, grandchildren, and now, great grandchildren. The Adams family meant so much to me during the course of my teaching career in Eclectic. Her family continued impacting my children with love and support. Angie was the precious anchor for both my children on the school bus. Hunter was a major influence on my son through his teaching in and out of the classroom. The greatest tribute to Miss Daisy is the amazing family she raised and shared with the rest of us. Love and prayers
