From Goodwater Police Department we are saddened to learn of your loss. Praying that your heart is filled with peace and comfort from the Lord Jesus in the days ahead. I knew them through my grandfather that would help them sometime with grass cutting and little activities around their home and garden.

We are so sorry for your loss Wendy & family. I remember William & Virginia & going to church for singings & family gatherings & "lunch on the ground" as they used to say for as long as I can remember...& that's a long time now. Virginia was married to a very "gentle"man that I loved dearly too as he was my cousin. But—now they are together singing "Fa so la" as they are worshipping Jesus together again. Love & prayers...
