Nellie was a sweet friend for all the many years I lived in Rockford. I kept in touch with her after I moved to Utah and we talked on the phone. I just arrived one day too late. Nellie made the best chocolate pound cakes with chocolate frosting. Every birthday she would make my children a cake. As they got older and smarter they wanted a double layer pound cake, then that turned into a triple layer. We will always remember her kindness. For many years I had the pleasure of doing her hair in my beauty shop. She was a delight and we had many a good laugh. She took great pride in working at the drug store lunch counter. I believe she always made my sandwich extra special. Miss Nellie, you lived a long life and were a friend to many. You left all of us with wonderful memories. Till I see you again on the other side.....

Ms. Nellie was so sweet. My husband and I would go to Chapmans to sing and the first time I walked in there to invite her she smiled from ear to ear and let me push her down to the entertaining room. We would make a special trip just to visit her and she would always invite us to her home in Rockford to visit. Very sweet lady.
