I worked with Audie at Alexander City Police Department from 2002-2006. Audie was a great guy. I remember him hassling some skate board kids back when I was in middle school. Taking us home at 2 in the morning to our parents. Smiling as we begged to not get in trouble with our parents. Then later in life I met him as a police officer. He remembered taking us home and still had that smirk when I told him that he was the one that took us home. Audie was an awesome guy. It was a joy to work with him. Prayers to his family during this time.
