Mrs. Pike passed away peacefully on July 20, 2025, at her home in the heart of the Alabama countryside. She was born on March 16, 1942 to Griffin Royal and Lois Cannon Royal. Patricia's life was a testament to her steadfast work ethic, her unwavering faith, and the joy she found in the simple pleasures of life.

Patricia's journey began in Goodwater, AL, where she grew from a spirited child into a woman of strength and character. Her dedication to her community was evident in her many years of service at Russell Mills, where she not only contributed her keen sense of diligence but also formed lifelong friendships that she deeply treasured.

A devout member of the Rock Springs Baptist Church, Patricia's faith was a beacon that illuminated her path and guided her actions. She was an active participant in the church's activities, providing support and love to her church family. Her presence was particularly felt on Sundays, a day she revered not only for its spiritual significance but also for the warm, laughter-filled family lunches that would follow.

An adventurous soul, Patricia could often be seen riding her "buggy" across her land, a sight that became a cherished fixture to those in the know, lovingly waving as they would pass by. These rides were more than a pastime; they were a means for Patricia to connect with the nature around her and the people she adored.

Patricia's love for her friends and family was boundless, and she made it her life's work to ensure that her warmth and generous spirit touched all who knew her. Her door was always open, her
