I enjoyed working with Joe. I would sometimes ride with him over to a meeting in that old messy truck. He would have chicken bones and bread all over the floor boards and seats. He would say," I forgot to leave my doors open so the dogs could clean the truck out!" He was funny and such a good person. He will be dearly missed. Prayers and comfort for all of family.:pray::skin-tone-3::pray::skin-tone-3::heart:
