Mrs. Rebecca "Becky" Louise Barnes

APR 26, 1952 - FEB 23, 2026

Becky Barnes, a beacon of love and laughter, passed away peacefully surrounded by her family on February 23, 2026, in Alexander City. Born to James Howard Major and Tiney Louise Taylor Major, Becky's life was a testament to the joy and kindness she spread to all who knew her.

Becky's enduring love story with her husband, Rick Barnes, spanned over 53 years, a journey filled with shared dreams and cherished moments. Together, they built a life rich in love and companionship. Their bond was further strengthened by the joy of their daughter, Kimberly (Shane Causey) Jones, and the laughter of their grandchildren, Jamie Glover, Jordan (Laura Carter) Glover, Sara (Gus McConnell) Jensen, and Tyler Jensen. Becky's legacy continued to blossom with the arrival of her great-grandchildren, Scarlett Perdue and Lillyann Dearing, who brought her immense pride and happiness.

A sister of unwavering support and friendship, Becky is also survived by her brother, Don (Donna) Major, and sister, Rosemary Cobb. Her extended family, including her nephew, Christopher Dennard, niece, Alicia Wheeler, and several other nieces and nephews, will remember her as a pillar of strength and a source of endless encouragement.

Becky's professional life was marked by a dedicated 25-year career at Russell Medical, where she not only excelled in her work but also forged lasting friendships and made significant contributions to the community. Her commitment to her faith was evident in her active participation in her Christian community, where she lived out her beliefs through acts of kindness and service.

Travel was one of Becky's greatest pleasures, and she cherished the opportunity to explore the United States with Rick. These adventures created a tapestry of memories that they would fondly recount to friends and family. Her love for her grandchildren was unparalleled, and she seized every opportunity to be involved in their lives, celebrating their achievements and supporting them through life's challenges.

Becky was more than an aunt, she was a second mama. Her love felt like home. She carried the strength of a mother, the kind that sacrifices quietly, holds families together, and stands tall no matter what storms come. When we needed love, she gave it freely. The world will definitely feel different without her here, but her imprint is everywhere, in our character, in our resilience, in our hearts, in the way we love. We don't just mourn her. We honor her. We thank God for her. And we promise to carry forward the strength and encouragement she poured into us. Aunt Becky. Your work here was powerful. Your love will never fade. ☐ I love you always and forever! Love Alicia!
