JUL 8, 1931 - APR 4, 2026

Graveside Service for Mr. Clarence Edward Futral, 94, of Alexander City, will be Wednesday, April 8, 2026 at 11:00 am at Hillview Memorial Park. Bro. Russell DeLee will officiate. The family will receive friends on Wednesday, April 8, 2026 from 9:30 am to 10:30 am at Radney Funeral Home.

Mr. Futral passed away on April 4, 2026. He was born on July 8, 1931 in Tallapoosa County to James Horace Futral and Cora Adamson Futral, and lived a long and meaningful life marked by hard work, music, family, and simple joys that brought happiness to those around him.

Ed grew up with the values of perseverance, honesty, and dedication that would guide him throughout his life. He carried those qualities into adulthood and became known as a dependable and hardworking man who took pride in everything he did. For most of his working life, he was self-employed as a carpenter, and his skill with his hands was evident in the care and craftsmanship he brought to his work. He built more than structures during his lifetime. He built a reputation for integrity, reliability, and quiet strength that earned the respect of many.

Ed also had a deep love for music, especially bluegrass. He was a skilled musician whose talent brought joy not only to himself but also to countless others who heard him play. He was a member of a traveling band and spent many years sharing his music across the United States and even in Canada. Those who knew him understood that music was more than a pastime for him. It was a gift he carried with him throughout his life, and it gave him the opportunity to connect with people far and wide through the universal language of song.

In addition to his love of music, Ed found great satisfaction in tending to his garden. He enjoyed working outdoors and taking care of the things he planted, watching them grow with patience and attention. His garden reflected the same steady care that he gave to his work and to the people he loved. He appreciated the beauty of simple things and found contentment in the quiet rhythms of daily life.
