“ Cary was kind and generous brother who inspired me in every way. He demonstrated his faith and christian values by the way he lived his life. Even when he was struggling for air to breathe, he was trying to coach me and clear family strife. He knew he was at the end of life, but he welcomed it without fear because he was going to meet his Lord. His example has led two sons to be ministers for Christ. The people that he led to the Lord will join me in celebrating his life. He is now in heaven with all the people he ministered to who have passed on. I know he has met our father whom he never knew on earth. They are both cheering for me, Mary, Glenn, Tina, and his sons to come join them. Rest in peace my little brother.

“ Brother Cary was a caring person and the kids loved him. He will be missed very much. My grandkids had such a hard time adapting when we got custody but he always knew what to say when they got on and off the bus. His love and kindness will be missed. Praying for you and your family.

“ Cary was a fine man and friend. I was happy to share my birthday with him (even though he would remind me I was 6 years older). I loved to hear him sing....such a beautiful voice. As Mt. Pisgah's Youth Minister, he greatly impacted our children: Clay, Brian, Jonathan, Erica and Heth. He will be greatly missed. All of us send our love to Mary and the children and to all his family.
