Mr. White passed away peacefully at home Tuesday, September 29, 2020. He was born November 29, 1930 in Tallapoosa County, Alabama to James Patrick White and Effie Grace Smith. He was a member of Flint Hill United Methodist Church. Don served in the Air Force for 20 years where he achieved the highest rank of Chief Master Sergeant. For 16 years he flew on Air Force One with the Presidential Unit as Chief of Airborne Electronics for President Truman and President Eisenhower and was later in charge of the unit serving President Kennedy and President Johnson. He went on to work for the Federal Aviation Administration at the Dallas Fort Worth airport where he attained the highest grade for federal employees of GS15. But Don's life was filled with more than work. He was a loving husband to his wife Betty, of 69 years, a proud and loving father and grandfather and a faithful Christian. He enjoyed crappie fishing, hunting, keeping in touch with lifelong friends and treasured neighbors and watching sunsets from his porch. He kept his good sense of humor despite all health challenges and soldiered on with a strength of will that was nothing short of amazing. Don led a blessed life and appreciated each day of it as does his family.

He is survived by his son Donald F. White Jr., daughter-in-law Bonnie and his granddaughter Amy White of Graham, TX, his daughter Patricia Holland, son-in-law Edwin and his grandson Kevin Holland of Birmingham, AL, his sister-in-law Sarah 'Sage' Ware Dunham of Goodwater, AL and numerous nieces and nephews.

“ Patricia Lynn and Donnie, Too many precious memories with Uncle Don and Aunt Betty! We always enjoyed our exchanged visits between Alabama & Texas. We would tease each other that “it’s your turn now; we really did keep track! You could always count on a good steak @ their house. I can only imagine Aunt Betty has him busy already collecting landscape rocks! We enjoyed watching Unsolved Mysteries together. I will miss his sense of humor. All I can say is, “waddle, waddle!”

“ In years past, Don was the walker thru our neighborhood. Don took time to visit along his route. When He and Bill had visited way longer than usual, I would call Betty and tell her , "Bill and Don are just telling their fish stories, and having a relaxed morning." Betty was usually in the kitchen, fixing breakfast, and waiting . We loved Betty and Don, and know, the many laughs, and tales we exchanged, just made life better and our loads lighter. May God bring wonderful memories and laughter to Don's family, neighbors and friends. We are blessed by his friendship and love.
